

## OUR VISION

Coming into relationship with God through Jesus Christ brings men and women into the purpose for which we were created – to glorify God and to outwork His will here on the earth.

We are passionate about restoring God's fullest intention for His Church as we see laid out in the Bible, through the leading of the Holy Spirit. We believe we are called:

- To be a prophetic demonstration of the Church of Jesus Christ in worship, evangelism and discipleship.
- To see the ministries of apostle, prophet, evangelist, pastor and teacher functioning to equip the Church for works of service and bring the Church to maturity and unity.
- To be a New Testament church in the 21<sup>st</sup> century
- To work in unity with the rest of the Church in Taunton to see the Kingdom of God come in power and glory

You can find out more about our vision by joining us on our **Vision and Commitment Course** which is currently running. This is for people who wish to make Living Light their home or people who would just like to find out more about us. Please contact our office for more information.
